

Condolences

The management of the Transcarpathian Reformed Church expresses deep sympathy and sincere condolences to the Dutch victims' relatives of the Malaysian Airlines Plane crash on 17th of July, 2014.

We are deeply shocked by the news and we are standing baffled before what has happened. We do not understand the reason for this pointless conflict, war in Ukraine, which has caused the death of many innocent, civil people.

We pray for the families of the deceased that God's consolation help them through this terrible situation.

With sincere sympathy,

*Béla Nagy,
managing director
of the TRC*

*Sándor Zán Fábíán
